Organised By

Dept. of Rasashastra & Bhaishajya Kalpana

PMT's Ayurved College, & Shri Sant Eknath Rugnalaya,

Shevgaon Dist. Ahmednagar 414502

From the Desk -

Pravara Medical Trust's Ayurved College, & Shri Sant Eknath Rugnalaya esteemed institution of Ayurveda situated in shevgaon, serving to the society since 18 years. Institute is having permission of 80 undergraduate seats and 38 post graduate seats in 8 subjects per year. The institute approved by CCIM, affiliated to MUHS and govt. of maharashtra.

Adequate Ayurved Laboratory facilities are provided for training of undergraduate and to undertake research. College also provides extension OPD services to nearby villages, which are also attended by the students and interns under supervision of senior staff. College has a teaching hospital, Shri Eknath Rugnalaya, with all specialties of Ayurved Treatment. Routine and specialized diagnostic procedures including advanced panchakarma treatments are undertaken.

Rasaushadhis are in frequent use in Indian system of medicine since long back without any untoward effects. They have innate qualities like quick action, lesser dose, tastelessness, prolonged self-life and better palatability. Due to these qualities metallic preparation has given a unique comprehensive health care approach to Indian system of medicine for serving as global medical system

Rasaushadhis are used in various chronic disorders in different combinations dosage forms and at various levels of purities. Hence it is very essential to prepare it in a proper way. As per the reported data, there are so many herbo-mineral preparations available in market which is useful in anaemia, diabetes, cancer, liver diseases, skin diseases etc.

Objective of seminar - To overcome the limited use of Rasaushadhis, misunderstanding regarding quality control and heavy metal toxicity the present seminar "Clinical aspects of Rasaushadhis" is organised.

 **Dr. Shinde B. T.**
Principal
